 Continuation Sheet Attached

**Brief Description of Arguments to be Presented:** The rejection under 102(b) relies upon the web site [www.poweropt.com](http://www.poweropt.com) as prior art. The present claims relate to functionality that was added to the web site. Therefore, the fact that the web site, without the added features, existed prior to the invention date does not prevent patentability.

An interview was conducted on the above-identified application on \_\_\_\_\_.  
**NOTE:** This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP 713.01). This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
